EDUCATION PROGRAM

for Teams & Schools

Our acclaimed *Education Workshop Series* includes all phases of the College Recruiting Process; Hazing Prevention & Awareness Training; & Leadership Development. All our workshops empower, inspire & educate! Customize a program specific to your needs & budget. Call for more information.

★*Most Popular*

“RECRUITING 101”

A dynamic presentation outlining the “basic skills” of the college recruitment process which includes an explanation of NCAA Eligibility Requirements. Avoid common mistakes and learn what it takes to play college sports at every level. Recruiting Specialists provide insight from an insider’s vantage point.

“RECRUITING 102”

In PART 2 of the Recruiting “*Trilogy*” you get the *Key Strategies & 6 Step Game Plan* and learn how to make the college recruiting process work for you!

“RECRUITING 103”

This last workshop in the *Trilogy* Lineup teaches how to target the best colleges for YOU! Identify schools that fit interests, needs & skills both academically & athletically. Marketing the right schools IS the key to recruiting success.

“NCAA INITIAL ELIGIBILITY REQUIREMENTS”

This hands-on, interactive workshop is for high school administrators, guidance counselors and coaches regarding the academic requirements needed to play at the NCAA, NAIA, and JC levels. The new NCAA Division Academic Standards will be explained in detail. Also learn the academic & competitive differences between NCAA Divisions 1, 2 & 3 playing levels and just how to get your college bound student-athletes academically prepared.

“MAKING THE GRADE”

Target audience: Student-athletes & Parents. T2SC discusses NCAA Initial Eligibility Requirements & what is needed *academically* to play sports at the various college levels. Grades are the KEY to recruiting ...the better the academic profile the more scholarship dollars & playing opportunities. The new 2016 higher NCAA *Division 1* Standards will be explained in detail. Get your S-A's motivated & into “Academic” shape.

“HOW DO I SOUND COACH”

Learn how to talk to college coaches with confidence! Topics include phone & interview preparation for the recruiting process; your “30 second commercial”; and the 10 basic questions every coach asks. Make a lasting impression with every coach you talk to!

“DO-IT-YOURSELF RECRUITING”

Learn how to build an effective recruiting website for the college recruiting process. Featured topics include what information to include; how to write your “scouting report”; video tips; and how to target the right colleges.

“WRITING A WINNING RECRUITING LETTER”

Tips on how to write your “Dear Coach” letter...selling yourself on paper is the first step in the college recruiting process. This workshop will identify information to include, proper letter format, and basic strategies on how to sell yourself.

“HAZING PREVENTION 101”

Address the HAZING epidemic & protect your campus by proactive, awareness training. This workshop will help:

- Maintain a healthy & safe environment for all athletes
- Promote a climate of respect, civility & support
- Develop effective policies
- Set expectations & establish clear reporting channels
- Educate administrators, coaches, support staff & student-athletes
- Address necessary leadership skills in coaches & S-A leaders

“DEVELOPING LEADERSHIP IN SPORT 101 & 102”

Leadership undoubtedly is the most under-rated skill needed for success in competitive athletics. This interactive workshop empowers coaches & student-athletes & teaches:

- Leadership...What is it & Why is it Needed in Sport
- Qualities of Effective Leaders
- Leadership Styles
- Team Building Exercises
- Scenarios / *Interactive Role Playing*
- Recognizing Unhealthy Behaviors

“SPORTS NUTRITION - FUELING FOR THE FINISH”

Increase your athletic performance with proper sports nutrition by a *certified Sports Nutritionist*. Discussion on healthy eating habits, supplements, grocery shopping, and menu choices. Learn how to gain muscle, lose fat, and maintain the right body composition for both health & performance. Leave this session energized!

CHOOSE YOUR TOPIC

Interested in educating your athletes on a specific topic pertaining to the college recruiting process or having T2SC facilitate a “*Hands-On*” session in a classroom setting? Topics to consider include: Misconceptions & common mistakes made by recruits; choosing a college major; resources to help in the recruiting process; NCAA recruiting rules; *or* questions to ask coaches on the phone & campus visit.

1 FULL DAY OF TRAINING + EVENING WORKSHOP

Educate coaches, guidance counselors and administrators in this full professional day of training. 6 hours of “hands on” training of your choice of topics from the above lineup. We will customize a professional development day for your needs & budget. Call for more information and a price quote.

CONSULTING SERVICE

Hire T2SC as an In-house resource for your team or school. Contract per/hour or per/year based upon needs & budget. For the price of a few guest speakers you can service your sports community for the entire year. From individual coaching sessions to large group workshops – we work with your entire campus community. An invaluable service at an affordable price.
