What is your Recruitability?

Your ability to get recruited based on your entire profile. BUT you must promote & “brand” yourself in order to get considered & recruited. There is a RIGHT way. Just being good isn’t enough – you get lost in the volume of prospects. Marketing yourself is the key. *Keep in mind...*

- College coaches evaluate *hundreds* of prospects each year
- *40-65+*% of college athletes transfer from their initial institution
- *80%* of college playing opportunities are outside NCAA Division I
- The average college coach’s recruiting budget is less than *\$1000* so...
- They rely, appreciate & need your outreach!
