100% OF OUR ATHLETES GET RECRUITED!

What is your Recruitability?

Your ability to get recruited based on your entire profile. BUT you must promote & “brand” yourself in order to get considered & recruited. There is a RIGHT way. Just being good isn’t enough – you get lost in the volume of prospects. Marketing yourself is the key. Keep in mind...

- College coaches evaluate *hundreds* of prospects each year
- 40-65+% of college athletes transfer from their initial institution
- 80% of college *playing opportunities* are outside NCAA Division 1
- The average college coach’s recruiting budget is less than \$1000
- Coaches rely, appreciate & need your outreach!
